

## CALL FOR PAPERS

International Journal of Surgery and Surgical Sciences (IJSSS) is a tri-annual, interdisciplinary journal. IJSSS focuses on integrating theory, research and practice in the area of surgery and surgical sciences. It aspires to bring doctors, academicians, researchers, surgery and surgical community, entrepreneurs and development practitioners together.

Global in scope and authorship, International Journal of Surgery and Surgical Sciences (IJSSS) bridges the gap across surgery and surgical communities vis a vis its multiple disciplines with a view of sharing information and to provide a platform for debate with the widest possible audience, doctors, researchers, academicians, surgery as well as surgical experts. The IJSSS has a particular interest in trans-disciplinary and interdisciplinary approaches focusing on the issues relevant in contemporary medical world. It serves as a forum for review, reflection and discussion informed by the results of recent and ongoing research.

The Journal accepts original empirical *Research Papers, Articles, Research Letters, Book Reviews, Conceptual Notes, Executive Summary and Report*. Contributions rooted in the Indian or International context and reflecting the ethos of Surgery and Surgical Sciences are encouraged.
